WHAT IS HAIKU?

I THOUGHT IT WAS POETRY… NOT IN RUSD☺

haiku learning

What is Haiku Learning?

Parent involvement in RUSD is a critical part of our students' success. To enhance that involvement, RUSD uses Haiku, an online learning management system (LMS), that allows parents to stay in communication with teachers about classroom assignments, instructional content and events.

Haiku at FAMMS

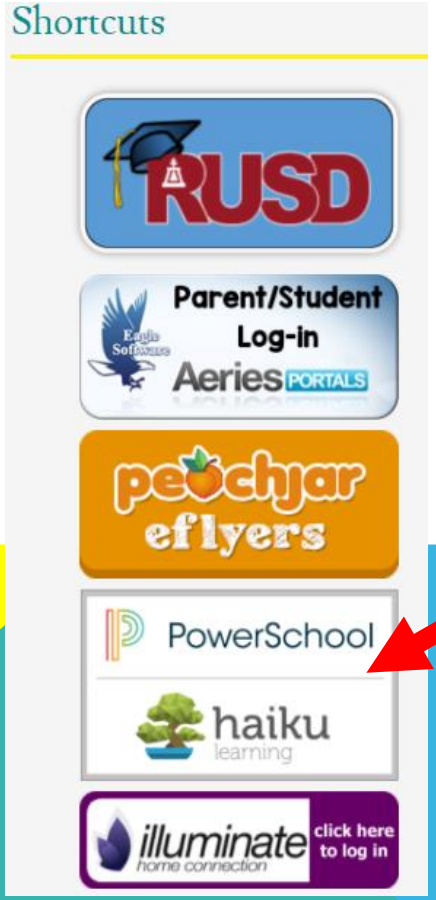
All teachers at FAMMS have a Haiku web-page. Content on pages will vary by teacher or department. In general, parents will have access to:

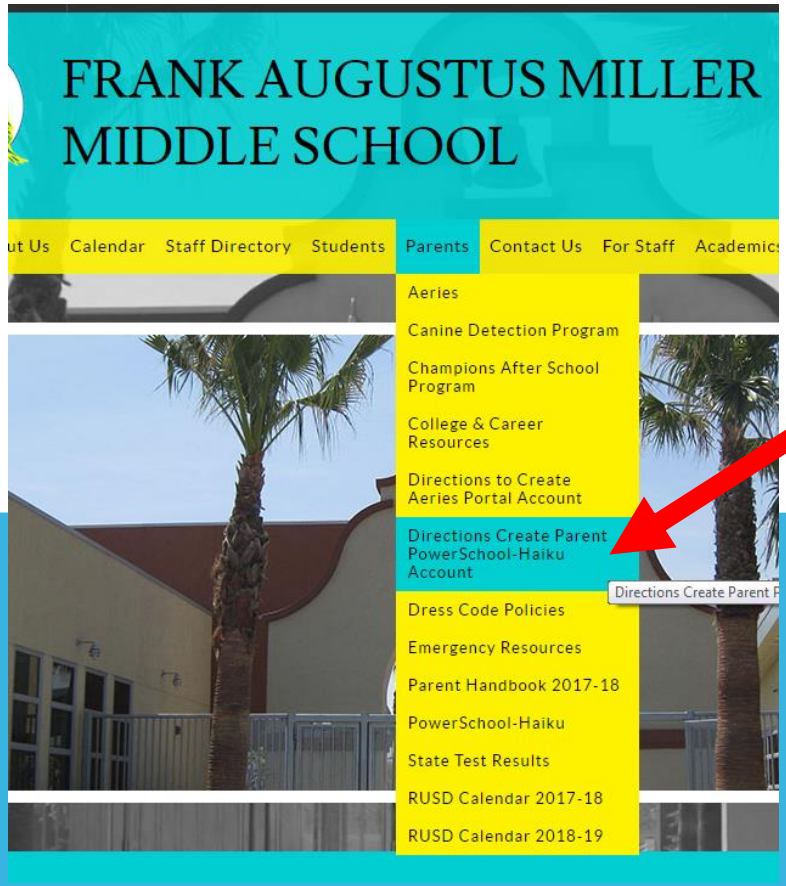
- Course Syllabus
- Grading Practices
- Biographical teacher information
- Teacher contact information
- Homework assignments
- Classwork assignments
- Teacher created notes and handouts that often may be downloaded to view or print
- Helpful course-related links
- Class calendar

See Mrs. Crawford's Haiku Page

How do Parents Access Haiku?

- Visit the FAMMS Website for information on accessing Haiku.
- Click on the **Parents** tab in the menu ribbon for directions for creating a Parent Haiku account.





What's Next?

- Parents, please follow your child's class schedule to meet teachers and hear a brief overview of each class.

- It is important to follow your child's class schedule as not all teachers teach the same class every period. If you go out of order, you may miss out on the opportunity to meet all of your child's teachers.

- Thank you for coming to Back to School Night, we are pleased that you have the opportunity to see our FAMMtastic campus and meet our MACAWesome teachers! Enjoy the evening!
