COPY SEMESTER 1 GRADEBOOK

- There is no need to “Create New” gradebooks for Semester 2.
- Instead you can “copy” the Semester 1 gradebook. This process WILL NOT copy the assignments, it will copy all of the settings into a NEW gradebook for you.
- This process will save teachers time as there is no need to reenter the grade weighting and grading scales etc. 😊

COPY GRADEBOOK

- Open the Gradebook Dashboard

The screenshot displays the Aeries Student Information System interface. The top navigation bar includes the Aeries logo, a search bar, and the current school/term selection (2017-2018, Miller Middle School). The user's name, Susannah Balice, is in the top right. The left sidebar contains a list of navigation options: Home, Attendance, Attendance by Photo, Attendance by Photo (New), Gradebook (highlighted with a red arrow), Grades, Student Data, Teacher Misc, View All Reports, View All Forms, Query, and Log Out. The main content area features a 'New Aeries Tour' notification, a 'Students Summary' bar, and sections for 'My Tasks' and 'Calendar Events'.
