**FRANK AUGUSTUS MILLER
MIDDLE SCHOOL**

Welcome to Frank Augustus Miller Middle School! The beginning of the school year is rapidly approaching! Due to the Covid-19 pandemic, RUSD is in the process of developing a plan to provide a safe and healthy environment for students and staff. As of July 9, 2020 final decisions have not been determined. The Macaw Flight Plan attempts to provide a general path for families to navigate the opening of school. *The Macaw Flight Plan is subject to change.

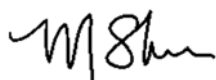

For 7th grade students, middle school orientation is Friday, August 7th from 7:30 - 10:30 AM (this is the official first day of school for 7th grade) and for all students, 7th and 8th grade students, school begins on Monday, August 10th from 7:30 AM – 1:55 PM.

In consideration of the safety and well-being of the FAMMS community, this year the traditional Macaw Night activities will be completed online and/or during school hours. Families will have the opportunity to make optional purchases of Yearbooks, PE clothing, and ASB Community Cards when the school re-opens. If online purchasing becomes available, we will communicate this option to our families. The FAMMS student class schedules will be available for download in the Aeries Student and Parent Portals the day prior to the start of the school year.

The Macaw Flight Plan provides parents/guardians with information on beginning the school year. **Please be sure to read the information in the plan and complete the Data Confirmation Process using the Aeries Parent Portal before Wednesday, August 5, 2020.**

Our expectation as a staff is that our students will have a safe, secure and Macawesome middle school experience and to learn and grow in preparation for high school and beyond!

We look forward to a wonderful year with the FAMMS community!

Mr. Mark Shaw
Principal

Cafeteria News

RUSD serves a nutritious breakfast every morning beginning at 7:00 AM for \$1.50. Help your student get a “Smart Start” for the whole day! The price for a cafeteria lunch is \$3.25.

Pre-Payment Options

Please take advantage of the TWO options to prepay your student’s meal accounts. Prepaid meal accounts help the lunch lines go faster and gives students more time to eat and relax. It also gives parents the peace of mind of not worrying about looking for lunch money every day or that money might be lost, stolen or used for things other than lunch.

- 1) Prepay online at www.paypams.com and use your bank account or credit card (service fee applies).
- 2) Prepay with cash or check and bring money in person or send the money with your student.

Deposits should be brought to the cafeteria; make sure that the student’s name and lunch number is on the check. This is important, especially if the last name on the check is different than the student’s name. This money is added to the lunch account and can only be used for one breakfast and one lunch per day and may not be used for snacks or ala carte foods. Students will be told when their account is running low.

Meal Eligibility

If a student was eligible to receive free or reduced price meals at the end of May 2020, he/she will remain eligible until the end of September 2020 only. Each year a new application **MUST** be completed. The new 2020 - 2021 meal application may be completed online on the RUSD Nutrition Services website, <https://bit.ly/2Hujjyi> (plan on at least two weeks to process applications). For further information visit the district website at <http://riversideunified.org/departments/nutritionservices>

There is no supervision prior to 7:00 AM or after 2:15 PM **Students must be picked up from school by 2:15 PM**, unless involved in a school supervised after-school activity. Thank you for your cooperation in being sure that children arrive and depart in a timely manner!

RUSD Middle School Promotion Ceremony Criteria

Middle school students must pass a specific number of classes in order to participate in the middle school promotion ceremony. On April 19, 2011, Riverside Unified School District approved the following criteria for middle school promotion ceremony participation:

1. Middle schools are on a semester calendar.
2. Students are required to pass 83% of their classes during their 2 years in middle school (20 out of 24 classes or 100 out of 120 credits attempted) in order to participate in the promotion ceremony.
4. Passing a class is defined as earning a semester grade of 'A, B, C, or D'.
5. Students receiving an 'F' semester grade will be allowed the opportunity to remain eligible for the promotion ceremony by passing the failed class with a 'C' or better grade the following semester.
6. A 7th grade student who earned an 'F' in math or language arts may remain eligible for the promotion ceremony participation by earning a proficient or advanced score on the State Test in math or language arts. This option is available only to 7th graders, because scores are not reported by California until August.
7. Students entering a middle school after the start of the school year will be required to pass five out of six possible classes taken for the full semester (s) they attend the RUSD middle school to participate in the promotion ceremony.
8. If a student is considered in jeopardy of not participating in the promotion ceremony, an Individual Promotion Plan (IPP) may be completed by a designated school representative, student, and parent. The goal of the IPP is to identify a plan of action that will be taken by all stakeholders to assure the student's participation in the promotion ceremony.

The purpose of the middle school promotion ceremony criteria is founded on two tenets. RUSD seeks to:

- Motivate every middle school student to pass all classes.
- Prepare every middle school student for the rigor of high school, college, and career.

End of the Year 8th Grade Activities Participation Criteria

At the end of each school year, FAMMS offers three special activities for students promoting to high school: the 8th grade picnic, 8th grade dance, and the promotion ceremony. Each of these activities offers students a fun, free, and safe way to spend time with friends commemorating their final year at FAMMS.

Picnic: All eligible 8th grade students may spend the day off-campus and have the opportunity to participate in a variety of activities. This event is sponsored by the PTSA, all costs are covered and lunch, snacks, and drinks are provided to students.

Dance: The 8th grade dance is an evening event at FAMMS. This dance is an exciting culminating activity for all eligible 8th grade students. There is no admission charge and refreshments are provided to students at this event.

Promotion Ceremony: The promotion ceremony is scheduled for the morning of the last day of school on the FAMMS field. The ceremony takes approximately one hour. During this time each promoting student will receive a certificate.

Eligibility for 8th Grade Activities: Information with final dates and additional details for each activity will be provided closer to the scheduled dates. However, we want to inform parents well in advance of the requirements for students to attend. In order to remain eligible for participation in each of these activities, students must be in good standing with regards to discipline and grades and must meet promotion requirements. The infractions that can put a student in jeopardy of losing their 8th grade activity privileges are outlined below.

Participation Criteria:

- Students MUST meet the RUSD Middle School Promotion Ceremony Criteria and pass 20 of 24 classes over the course of middle school. Students not meeting promotion criteria are not be allowed to attend the 8th grade picnic and 8th grade dance:
 - Any suspension during the school year for drugs/alcohol/tobacco.
 - Must not accumulate more than 6 total days of suspension during the school year.
 - Any suspension or STOP referral that occurs after spring break.
 - More than two non-academic Saturday Schools that occur after spring break.

*The final decision on eligibility for participation in each activity is left to the discretion of administration.

Bring Your Own Device Policy

Miller Middle School participates in the RUSD Bring Your Own Device policy. This policy allows each student to bring a personal technology device to school each day. Please read through the Frequently Asked Questions below to discover more about Miller's policy.

Doesn't Miller already provide individual devices for every student?

Yes, Miller does provide devices and will continue to provide devices.

However, many parents have requested to opt out of the Miller device program and to allow students to bring their own device from home.

Why would a parent provide a device from home if the school continues to provide devices?

- Students are more likely to take care of a device brought from home. They are less likely to lose their personal device. They treat personal devices with more care and are less likely to break something their parents have purchased.
- Some parents prefer to select the devices the students will use each day. If a device is broken, lost, or stolen parents will not receive a bill from the school. Many times personal devices brought to school cost less than the school provided device.

What types of devices are allowed?

Personal devices can include a tablet, laptop or Chromebook. ***Cell phones are not an acceptable device used in our classrooms.*** From the perspective of affordability, Chromebooks are effective devices and are easily integrated into our school program and have shown to be reliable and durable devices.

What are the hardware and software considerations?

Devices that are brought to school need to be able to connect to the school's wireless network. Additionally, devices need to have storage capability of at least 8 GB. No additional software is needed. Miller MS uses Google Docs to store student work. This is a web based system.

Who is responsible for the device students bring?

The personal devices will be purchased by and remain the property of the family. Students are responsible for their personal device at all times. Miller staff is not able to support or repair the personal devices. Families must stress the responsibilities their children have when bringing their own devices to school. Miller is not able to search personal property for lost or stolen devices nor is there any assumption of financial responsibility by Miller for damaged, lost or stolen devices. Insurance for personal device may be purchased. See the Miller website for details.

Student Textbook Contract

*Please read the following information carefully.
Textbooks are expensive to replace!*

Please read below. By checking out these textbooks it is now your responsibility to return them in good condition. Payment is required for lost or damaged material. Many textbooks cost more than \$70 each.

PLEASE:

- Do not leave them in classrooms, or with friends. They are likely to disappear or be damaged by someone else. Students are responsible for all damage even when not in their possession.
- Teachers are not responsible for textbooks. Look through the books and return any that have existing damage right away. We will make a note of it or issue you a new book. Without the notation students may be held responsible for all prior damage at the end of the school year.

NOTE:

- Do not attach book covers with tape
- Do not use sticky book covers
- Do not write in books (*except to write student name on the inside front cover*).
- Fines will be applied for books which have damage to the cover or pages. Fines will also be applied for torn pages or writing in the book. Liquid damage usually results in the health hazard of mold and requires a fee of the full cost of the book for replacement. (Don't leave the book in the rain, or carry it in a backpack alongside a container of juice or water...) All books are to be returned at the end of the school year or when a student transfers to another school.

Parent/guardian and student acknowledges that they have read the above information and will keep the textbooks in good condition and acknowledge that a fine is assessed for lost or damaged textbooks.

Dear Parent/Guardian, We feel that you should be informed regarding the school's effort to create & maintain a safe science class/lab environment. Please read the list of safety rules. No student will be permitted to perform lab activities unless this contract is signed by both the student and parent/guardian and is on file with the teacher. California's Compulsory Attendance Law

Students need to be in school every day to receive the best possible education. Absenteeism is very costly, causes long-term problems for students, schools and our community. *California's Compulsory Attendance Law* requires every person between the ages of 6 and 18 years of age to attend school full time everyday, unless the student has been legally exempted or has graduated from high school.

It is very important that parents/guardians understand that the reason

California's Attendance Law requires parents/guardians to verify all student absences by either a note or telephone call to the school within 3 days of the student's return to school. This verification shall include:

1. The student's full name
2. The date (s) of absence
3. The specific reason for the absence
4. The name and relationship of the person providing the information
5. The date when the verification was made

provided for the absence either orally or in a written note, only provides the reason for the absence and that this information does not in and of itself excuse the absence. Only authorized district personnel determine if an absence shall be considered to be excused or unexcused. **If a student is absent for any of the following reasons, school personnel may determine the absence to be excused:**

- Illness or injury to the student (**Not to exceed 10 days per school year** without a physician's note per RUSD Administrative Regulation 5113). **Any excess of 10 absences or more in the school year without verification by a physician's note or authorized school personnel will be considered unexcused absences.**
- Medical, dental, optometric, or chiropractic appointments for the student verified by a doctor's note or authorized designee.
- Attendance at a funeral for a member of the student's immediate family.
- Evidence of head lice. (Re-examination by a school nurse or authorized school personnel within 24 hours after the date indicated on the Health Treatment Agreement form required for lice.) Any absences after failing to follow this procedure will be considered unexcused.

Students who are absent for excusable reasons, as listed above, are not penalized under the Compulsory Attendance Law. However, students who accumulate unexcused absences are subject to discipline. **A student who has been determined to be a truant, or who is irregular in attendance, or who is habitually insubordinate or disorderly at school, may be referred to the School Attendance Review Board (SARB)** The student may also be involuntarily transferred to an alternative school program. In addition, students who exhibit poor attendance can be referred to attend school on the weekends at a Saturday School. In severe cases, a student and his/her parent/guardian may be referred to the District Attorney for prosecution for failure to attend school.

Parents have the right to meet with the appropriate school administrator or counselor to discuss alternative placement or solutions to your student's attendance problems. It is our sincere hope that actions and resources can be found to ensure your child's regular attendance and success in school.

FRANK AUGUSTUS MILLER MIDDLE SCHOOL **TARDY POLICY**

Students arriving after 7:30 AM report directly to the attendance office outside windows. Unexcused tardies to school have the following consequences:

- 1 -2 tardies = warning
- 3 tardies = phone call home
- 4 tardies = Lunch Detention
- 5 tardies = Wednesday or Saturday School
- 6 tardies = Parent Meeting Scheduled

TRUANCY CONSEQUENCES

A student is considered truant from a class when the student is physically out of the class without staff permission or a pass.

Period truancies will have the following consequences:

- 1 Period: Sat./Wed. school/phone call to parent or guardian
- 2 or more: Administration decision/phone call to parent/guardian

If absences are not cleared within 3 days, student may be assigned Saturday School and parent may receive a District truancy letter.

Research shows that having consistent attendance at school positions a student to achieve academically in a great and powerful way. Please make every effort to send your child to school daily.

If possible, schedule medical/dental appointments after school hours. Wednesday afternoons is a great time to schedule appointments. If your child is absent, it is important to clear absences with a parent note or a phone call to the attendance office.

Chronic Absence is absence from school for 10% or more of the number of school days a student has attended. If children don't show up for school regularly, they miss out on fundamental skills and the chance to build a habit of good attendance that will carry them into college and careers. Preliminary data from a California study found that children who were chronically absent in kindergarten and 1st grade were far less likely to read proficiently at the end of 3rd grade. Students in grades 4-12 who are chronically absent are much more likely to fail their classes and drop out of school. Please make every effort to assure your child is in school every day!

The handbook is located at: <http://riversideunified.org>.

If a student violates any of these rules, his/her use shall be terminated and future access may be denied. Disciplinary action may also result. If possible criminal activity is discovered; the proper law enforcement authorities will be notified. Disciplinary action for students shall be in accordance with existing discipline policies and may include suspension or expulsion in accordance with the laws of the State of California and RUSD policy.

1. RUSD technology resources shall be only used to access educational information and to promote learning activities both at school and home, including the facilitation of communication between the home and school.
2. Students shall not load personal software or programs on District computers nor shall they download programs from the Internet without the approval of their instructor.
3. Virtual and physical vandalism shall not be tolerated. Cyber bullying is specifically prohibited. It shall be the student's responsibility to report the inappropriate use, web site, or communication to the student's teacher or other staff member.
5. The use of RUSD technology resources is not private; students should not expect that files stored on or transmitted via the District's resources will be confidential. All digital transmissions are subject to inspection and/or monitoring by District employees and other officials. 7. RUSD makes no warranties of any kind, expressed or implied, for the technology resources it provides to students.
8. Copyright ©, Trademark TM and/or Registered [®] laws must be adhered to at all times. All materials from the Internet and other digital resources, including graphics, which are used in student projects or reports, must be properly cited. Copyrighted, Trademarked or Registered materials may not be placed on the Internet without the permission of the author.
9. Students shall not post or transmit their own or other's personal information such as home addresses, telephone numbers, last names, photos or other personal identifying information.
10. The use of District technology resources may involve the use of a password, network access code or other identifying or validating

code. Such passwords and codes are to protected as private information provided to the individual user for their sole purpose. Such passwords and codes shall not be disclosed by the student to others.

Students shall not use District technology resources for advertising, promotion commercial purposes or similar objectives, including the purchase of any items or services.
12. Students may bring personal technology, including computers, smart phones, network access devices, or other electronic signaling devices to school provided that such technology is used for instructional purposes. Students shall abide by the instructions provided by teachers and other school staff in the use of such personal technologies. Access to the Internet or other District communication systems from personal technology is limited to wireless access points on the school campuses or other access devices away from school. Access to the Internet or other District communication systems from personal technology is not available via hardwire connections.

Consequences of Misuse and/or Violation of the Provisions of this Agreement

Misuse of personal or District and personal technology resources on or near school property, in school vehicles and buses, at school-sponsored activities, as well as using district technology resources via off-campus remote access, may result in disciplinary action up to and including expulsion from the schools of the District. This Agreement shall be used in conjunction with RUSD Board of Education policies, California Education Code, and other local, state and federal laws and regulations governing the applicable matter.

Students, parents and guardians should recognize that the nature of the use of District technology resources extends outside of the school itself and into off-campus remote locations such as homes. The District's jurisdiction to enforce student behavior and discipline policies and rules shall apply whether the misuse or violation is at school or away from school as long as the District's technology resources are being used in the inappropriate behavior.
