After signing in you'll see the start screen.

Start by launching one of your apps!

The Shelf hosts Applications that have been pinned on it for easy access.

You can pin an application by pressing *alt+right click* and choose pin.

To get to the application manager click on the app launcher. Here you will find all your apps. Use the search bar to easily find them.

You can click and drag to rearrange your apps.

Make sure you use the sign out button to log you off your account if you or your students are using a shared device.
